NDR CLASS OF '67 50TH REUNION MEMORY BOOK

Diane Wong, Classmate Nelson Dong's wife, has graciously offered her publishing/editing talents to put together a Memory Book to commemorate our 50th Reunion. She is asking for all who are interested, even if you are unable to attend, to submit 2 or 3 paragraphs. Suggested topics: your proudest moments/accomplishments or obstacles you have had to overcome since graduating from Norte, any life lessons learned, and your plans/hopes/bucket list for the next 50 years.

Send this short bio with 1 or 2 current pictures to Linda Santos Kimura either by **email at linda.kimura@aol.com** or **text to (916) 214-8442**. Your bio can be sent as a Word document, or if not possible, just type it within the text message or email. The picture(s) can be either in TIFF format or JPEG format. Linda will forward your story and pictures to Diane. Please include your contact information and if you want to include it in the memory book.

The booklet will be handed out to classmates at the Reunion and is included in the \$67.50. If you wish to order a book to be mailed to you, the cost is not determined, but is expected to be about \$15.00, including shipping. **The deadline for submitting your story is asap or July 1, 2017.** Questions? Please call, text or email Linda at the email or cell number previously noted. Thanks!!!
